I grew up in Orange County and kicked off my insurance career while still in high school at Pacifica in West Garden Grove. A family friend hired me to be her 'Gopher.' I helped with whatever tasks she needed me to Go-For. Now, I am a second generation agent, and have been licensed for over 25 years. Much of my knowledge and experience came from working alongside my dad, Kevin Hagerty, who started the agency in 1988. I am excited to utilize my experience and knowledge to help people gain a better understanding of insurance, how it can protect them and help them determine their needs.

I am proud to be a member of NABIP, CAHIP-OC & IAOPA, professional organizations and groups that keep me abreast of industry changes and support independent insurance agents like me.

My husband, Adam, and I have been married for nearly three decades. We live in Huntington Beach with our two children, Nathan and Ashley who are current college students, Nathan at CSULB and Ashley at Tennessee Tech. During my free time I enjoy watching my daughter's college softball games, traveling to see my dad and family in Missouri, spending time with my friends, crafting, baking and I love taking my dogs down to the Huntington Beach Dog Beach for an early morning walk.

I am actively involved on the CAHIP Orange County Women in Business Committee, a volunteer group that plans and holds an annual luncheon and fashion show event that benefits New Hope Grief Support in Long Beach, CA. I am also the immediate past President of Ocean View High School's Parent Teacher Student Organization, the high school both of my children attended.

A Few of My Favorites:

Movie: Bridget Jones's Diary

Book: Marley & Me

Trip: 40th birthday trip to NYC, just me and my daughter.

Quote: "Everybody is a genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid."
